COURSES FOR COUPLES

Our team, made up of Catholic Priests and Lay Catholics, obedient to the Great Commission of Jesus is formed from a twenty-year experience with a scope of the New Evangelisation, and deals with proclaiming Christ, firstly and fundamentally for the evangelisation of all time.

Ours is a response to the call of the Catholic Church for the New Evangelisation. It wants to be a place where, through a methodology of active-participation, it forms evangelisers with a kerygmatic mentality.

We intend to offer a service to dioceses, parishes, pastoral workers, groups and church movements who wish to announce with great spiritual power the living Jesus Christ, the same yesterday, today and forever (Heb.13:8).

Through biblically based, practical courses we offer "New Evangelisers" a strong and deep experience of God, in order to renew their personal commitment to Christ and to grow in the knowledge of the faith.
